THE WEEKLY BREW

Indoor Week 2

**Midseason Party
February 6!**

UT \$4.50 ET \$5.00

Watch the Caps with NAKID this Friday!!

Week 1 was nuts, which everyone expects, but you all stepped it up a notch for week 2! The games are going well, and the bar scene is just what NAKID wants to see: drinking, flipping and bad decisions! The move to The Exchange has gone well for everyone (we hope), because we can play all the flip cup we want and take over the entire bar. They're a great bar with some great people, so be sure to thank them profusely with beer orders and tips!

NAKID has some great events coming up in the next several weeks that you won't want to miss. Check out the calendar, and go to the [Meetup site](#) to [RSVP](#). Which

reminds me: sign up for the Meetup site! If you haven't, you'll miss out on all the announcements, and won't be able to RSVP for the events that have limited numbers, like the Boomerang Bus to Annapolis on Feb. 20!

The big midseason party is just a couple of weeks away. We'll have free beer, jello shots and great prizes in the raffle. Email nakid2009@gmail.com with theme ideas! We're always looking for ideas from you guys, because we are here to make you happy!

ASKNAKID ?

Each week we will provide the answers to your most burning questions. Best one of the week wins a free pitcher of beer. Please send questions to nakid2009@gmail.com.

A question submitted by a NAKID!

? I hear that people who ref get free beer. That's great. Other than reffing, how do I get more involved so I get free beer?

NAKID loves it when its members volunteer to help out with the league! We're always looking for fun people to help out at events, ref games, assist the Brewers or just pitch in when a volunteer is requested. NAKID needs help at movie screenings (handing out passes), parties (checking in NAKIDs and friends and decorating), Boomerang Bus trips (wrangling the drunks), and at our miscellaneous social events, like the tailgates at RFK.

The Brew, while omniscient, is not omnipresent, so it needs reporters to record the drunken antics each night at the bar, such as who was LOTW worthy, who

was sucking at flip cup, or who did a lap dance at MBP.

Usually helping out NAKID is rewarded with free beer either at the bars or at the event. Email nakid2009@gmail.com if you'd like to help with social events or reffing, or email weeklybrew@gmail.com to help out with the Brew.

Another way to get free beer, though significantly less helpful, is to stand around people with pitchers. Those things get heavy, and they're always looking to lighten the load. Just avoid getting a rep as a mooch!

? I won LOTW and hear that I get a Boomerang Bus pass and a bandanna. How do I get my prizes?

Find the Brewer, Danielle! She wanders from bar to bar taking

pictures and doing interviews, and will have the bus passes and bandannas for you. She's a bit of a social butterfly so tracking her down can be tricky, but, much like a leprechaun, the reward of finding her is well worth it. Just don't expect her to grant you three wishes.

? I've heard rumors about a NAKID message board. What's that about?

The NAKID message board exists as a place where all NAKIDs can discuss ideas for the league, remind each other what happened last night, debate calls on the field, or make announcements about things like parties and fundraisers. It's also a fantastic way to waste a bit of your work day! Go to www.playnakid.com, click on the Message Board link, sign up for an account (it's free) and start discussing all things NAKID!!

? Is it really time to sign up for Spring already?

Yup! Registration for the Spring season starts Monday, Jan. 25, and it's dirt cheap for a limited time only! So contact your captain to find out what team you should join, or let fate decide and sign up for "Any Team That Needs Me." We'll have all the normal fun NAKID activities, plus some special new events for which we're teaming up with other great groups!

LUSH of the Week

Jim, Morally Casual (Sunday)

It started with pitcher races, and ended with public urination on a national treasure and videos of drunken conversations with cabbies and some other words that were unintelligible but we're pretty sure were about his sexual preferences. Way to start off the week, Jim!

Lacy, Morally Casual (Sunday)

Lacy was Jim's partner in crime, and was there to document both their shenanigans. She asked Joe V. to be her vagina gargoyle, went pitcher-for-pitcher with Jim, then wandered the mall looking for a cab and her dignity. Congrats, Lacy!

LUSH of the Week

Congratulations, Jim, Lacy, Erin and Matt! This season LOTWs not only get the NAKID Lush bandana to proudly wear during games, at the bar, or whenever else they want, they also win two passes on the Boomerang Bus!

Disappointed you didn't get a Boomerang pass? Well, every NAKID gets 20 percent off any Boomerang Bus trip. You will need the promo code, so please contact the Weekly Brew at weeklybrew@gmail.com for that. Check out the Boomerang and its trips at www.ridetheboomerang.com.

Please don't get alcohol poisoning trying to win LOTW. The Brewers would like to encourage you to drink responsibly!

Erin, Xtacles (Thursday)

The nomination from her captain: "Erin clearly won for being the drunk bday girl. She got to the pregame bar early and by the time the games came she was trashed. Then at the bar after the game many flipcup games were had and she started making out with a girl. After [redacted to protect the not at all innocent] she could barely make sentences so it was time to go home.

Also, somewhere in there she gave a shout out to the orange team vs the white team (russian earmuffs) dance off at the end of the night."

Matt, Drinking You Pretty (Thursday)

The nomination: "Matt (brew whore) of DYP started drinking at a friend's place before the game then immediately started playing flipcup at the Exchange. He couldn't wait to play so much that he played outside while freezing. He didn't stop till the end of the night where he proceeded to dance all over the place and make out with the token gay guy in NAKID, Ben."

NAKID Indoor Midseason Party!

Free beer, jello shots and awesome prizes!

Saturday, Feb. 6, 7 p.m.

The details such as theme and venue are still being worked out, but the important elements are in place: Free beer, jello shots, and amazing raffle prizes. With this group, the party is sure to be unforgettable. [RSVP on the Meetup site](#) so we know how many to expect!

Boomerang to Annapolis!

Lots of beer, a change of scenery, and beer!

Saturday, Feb. 20, 11 a.m.

LEEEETTT'S board the Boomerang for stripper poles, music, flip cup, beer, and fun and head out to Annapolis. We will depart promptly from My Brother's Place (237 2nd St NW) at 11:00am and head out for all day fun in Annapolis. For those who have not been to Annapolis before, it is a cute little town with lots of shops, the Naval Academy, and a fair share of bars. We will have Boomerang specials at some of these bars. We will also be contacting our regular flip cup bar to let them know we are coming.

For those who have not been on the Boomerang before - oh man. We board, we drink, we dance, we sing, we flip the cups. It is a great time and a really fun day. We will return to DC by 6:30.

Please note, due to people backing out we now have to charge for these trips. \$10 for NAKIDs, \$20 for guests. You must pay before you RSVP!

Week 2 saw some fun games and even crazier games at the bar. Here are the scores:

Sunday

Flip Cup

The Magic 8-Ball is back! Who's on top? Who's on the bottom? Who really needs to practice? And who needs to be taken down a few pegs? The 8-Ball was happy to see everyone playing flip cup and lots of challenges going on—keep it up!

This week the 8-Ball is answering the most basic question: Is my team good at flip cup?:

Sunday

1. **Morally Casual** – “You’re dead inside.” From beer!
2. **Stumbling Home Headfirst** – “Yes!” Blanket approval!
3. **MMM** – “Outlook good.” Keep it up!
4. **DMGs** – “Outlook good.” I guess so!
5. **The Terribly Sexies** – “Sure, it’ll only destroy your life a little bit.” Sense of impending doom...
6. **Suck My Kick** – “You’re dead inside.” So you can drink as much as you want!
7. **Alcoballics** – “Just kill yourself.” Sounds like a no.
8. **Never Nudes** – “Maybe.” Work on your skills!
9. **Chaos in a Box** – “Your mother’s a whore.” Not really relevant, but I’d say that’s a good answer.
10. **Deceptacles** – “Maybe.” Get the whole team up to standards.
11. **For the Love** – “Jesus would.” Ok, this makes little sense.
12. **P-Town Ballas** – “Bring me a beer and I’ll think about it.” Beer me.
13. **CHICKEN TETRAZZINI!!** – “Pay me first.” The 8-Ball takes bribes.
14. **Trainwreck, Party of 20** – “Dave Whalen would.” Yes, he would.
15. **Alcoholkicks** – “Definitely not.” Get on the tables!
16. **Paratroop** – “Definitely not.” Ouch. Practice!

"I don't remember saying that..."

I want a Spanish woman to feed me ribs while riding me.

Jim, Morally Casual

Brett Favre will never go away. He's like herpes.

I got punched in the vagina by John Bennett.

Flip Cup

Thursday

1. **Russian Earmuffs** – “Yes!” C’mon, a team from a crappy league on top? Get in gear, guys!
2. **We Scored Last Night** – “Pay me first.” Bribes help.
3. **Drinking You Pretty** – “Your mother’s a whore.” What’d you do to piss off the 8-Ball?
4. **Spitzer Swallows** – “You’re dead inside.” Like strippers.
5. **Where My Pitches At** – “If you’e asking an 8-Ball, you have bigger problems.” Indeed.
6. **Kick in a Box** – “Yes!” Good endorsement.
7. **In Balls We Trust** – “Outlook good.” But not etched in stone.
8. **Boobie Brigade** – “Jesus would.” It’s a boobie brigade, everyone would.
9. **$V=(4/3)\pi r^3$** – “Dave Whalen would.” There’s not much he wouldn’t.
10. **Ro Sham Bo** – “Sure, it’ll only destroy your life a little bit.” Sounds like flip cup is a good thing.
11. **Kickin’ Balls and Takin’ Names** – “Bring me a beer and I’ll think about it.” . . . Still waiting on that beer.
12. **Jolly Blue Balls** – “Sure, it’ll only destroy your life a little bit.” I like those odds.
13. **Looking to Score** – “Ask later.” Play in the meantime.
14. **Bacon Boners** – “Maybe.” If you play your cards right.
15. **Xtacles** – “Outlook good.” As long as you’re not too drunk to play!
16. **Legen...wait for it...dary** – “Just kill yourself.” Yikes.
