

THE WEEKLY BREW

The Official Newsletter of NAKID • August 20, 2007

It was not a bad day Tuesday as the fall NAKID season got underway. Our new fields proved to be very popular as several players pregame'd at My Brother's Place and then stumbled to the fields for battle.

The turnout, though, was strong for the first week of games. However, everyone seemed to gravitate to one bar. We hope that School Night

will step it up (on the bar) in the coming weeks. Both flip cup and beer pong (along with plenty of makeouts) were in full force at both bars and people seemed to be having fun.

As we look forward to a great season, we hope all the new teams had a fun first week and all the veterans found the level of debauchery up to par with past seasons.

We'll meet at the Ugly Mug at 7pm to start the boarding process for our Booze Cruise down the Potomac. The cruise goes from 9-midnight and will feature FREE Coors Light and selected other beverages. There will also be some munchies but nothing to eat of note. The Boomerang Bus will shuttle you to and from the boat, so no need to worry about driving. The event is limited to 125 people. Anyone who does not show will be charged \$25 for the spot they RSVP's for. We'll have music and flip cup on the seas, so be ready to have a great night!

September 15 Virginia Wine Festival on the Boomerang

We are heading out to the Virginia Wine Festival with the Boomerang Bus, so come and join us! Those who have gone before know that the VW Festival is great, but driving back limits the amount of tasting one can do - well NAKID has solved that problem with the Boomerang! We have both buses going, which means room for 80 NAKIDs! You will need to purchase a ticket to the Festival here: [VWF](#) so please do so before you RSVP for the bus. FON are welcome for \$25 and we will have some beverages on board to get you started as always. Please make sure NOT to back out within the last week, and all no-shows will be charged \$25 before they are allowed to play in NAKID again.

Event is currently FULL.

September 22 Capitol City Carnival & Beer Festival

The Capitol City Carnival & Beer Festival is a fun experience but like the Vintage Virginia Wine Festival can be a drag when you have to drive home - so we're back on the Boomerang Bus! This trip will be a blast as we travel to the festival in style playing flip cup and drinking beer on the way and then land at the microbrewfest! Please make sure to buy tickets in advance [here](#). As always, FON are welcome for \$25 plus the cost of their ticket. Please do not RSVP unless you know you can make it, all no-shows will be charged for their seat. This will be a great event and fits right in with NAKID's true purpose.

This event is currently FULL.

“I don't remember saying that” A Collection of Things You Said

Unless you're bringing me beer, I have no idea who you are

- **Looney, Drinking You Pretty**

Great, I've been back two minutes and you're already grabbing the boobs

- **Trina, Dirty Pirate Hookers**

Yeah, we were gonna play them in flip cup but they are already getting killed

- **Adam, Balls Deepest**

What the f*ck is this; 30 on 30 flip cup?!

- **Dave, Balls Deepest**

October 20 NAKID Texas Hold 'Em Poker Tournament

This event is limited to 40 players. The buy in for NAKIDs is \$30, Friends of NAKID pay \$60 - all the money goes for prize money. This means the winner will take home at a nice amount. The buy in gets you food and beer/soda. Make sure you get there on time and bring cash if you are not paying in advance. If you RSVP and do not show, you will be charged for your seat if you do not change your response by Oct 10. Who will take home the NAKID bracelet and prize money this time? Also we need 5 dealers, please note in your response if you are willing to help out - we will teach you, it's easy! **19 spots still open.**

TUESDAY RECAP: SCHOOL NIGHT

After everyone got their brand-y new shirts it was kickball time and some teams showed their stuff in week one. **Kickin' Balls and Takin' Names** beat **The Transplants** by a final of 10-3. **The Carlton Banks Dance Academy** showed their poppin' fresh moves by downing the **Dirty Pirate Hookers**, 6-1. **Dick in a Box** shutout **Pour Me Another Hurricane**, 8-0.

In a marathon game **Third Base on the First Date** bested the pur-ple of **Balls Deepest** by a

final of 7-4. The bar no-show **Normalizers** took down **Medicine Balls** in a tight 9-7 win. Apparently the Normalizers are unaware that winning on the field is fine, but not going to the bar is just wrong - and unacceptable!

As stated earlier, please make sure that your team at least begins the night at its assigned bar. We want to show both of our great sponsor bars the love they deserve. And now they both have jello shots!

Fun Happy Hour at Mackey's!

For those who were not there, you missed about 50 rowdy NAKIDs at Mackey's, then Recessions, Madhatter, and Rumors. What a night! Stay tuned for our next happy hour; until then here are a couple of pics from Mackey's.

 Kickballers are athletes not alcoholics.

For all of you who haven't played since you were picked last in gym class and for those of you who have been playing since but have forgotten the true maning of kickball (BEER) or bocce elsewhere, we at *The Weekly Brew* have decided to do a preemptive strike and answer most of the questions that have been burning in your brain about NAKID. Hopefully our answers will help you to be a player—or at least not look totally lost this season:

How long are the games?

Kickball games are 7 innings, Bocce games are first to score 21. However, there is a one-hour time limit for kickball (50 minutes for Bocce), so make sure you strike out quickly!

What if I can't make it to a game?

Let your captain know. All teams field five men and five women each week. If you don't have your captain's number, send smoke signals.

Payphones still exist. There's no excuse for not letting your captain know you're going to miss a game.

I have my cooler packed with beers, where do we set up?

At home. We play on National Parks and Rec area, so no alcohol. This means that if you are caught with it, you will get a ticket or jailed. Everyone will claime to not know who you are, then we will follow you to jail and bail you out with pennies.

I am short one guy and a hottie is walking by. Can we snag him for the game?

NO. You will ahve to start out the game down a run and take an out whenever that person would come up. Yell at your captain and drunk dial the no-show all night—that'll teach him.

Ok, the game's over and I need beer, where do I go?

My Brother's Place at 237 Second St. NW, or Hamilton's at 223 Second St. NW. Cheap beer, two floors and an outside patio. Just make sure you are wearing your NAKID shirt so you can get the specials.

I want to go to the bar, why do I have to umpire a game?

The team(s) that are not playing in a certain week are not off—you are our officials! We need each team to have at least 8 refs out who know the rules. Send out clueless umpires and you will get the same. For doing this, you get 5 free pitchers of beer! Hmm, 8 people, 5 pitchers—that's a good start on winning LOTW!

NAKID 101: What You Didn't Learn in 4th Grade

Where do we play?

We play behind the art museum, on 3rd St. and Madison Dr., three blocks from the bars. Don't worry, there's a map here. The closest metro stops are Union Station (Red), Judiciary Square (Red) and Federal Center (Blue/Orange). For those driving, your best bet is to park at the bar and walk over.

It's been a few weeks and I don't mesh with my team; they are not big drinkers and I carry a flask with me to AA. What can I do?

Talk to your captain about trading you to another team. Trades are allowed as long as shirts are swapped and everyone is okay with the moves.

FYI, practices are what we call "happy hours."

How do I contact my captain?
If you log into the website (middle of the homepage) you will see contact info for your captain as well as everyone else on your team. Happy stalking!

I played in other leagues and people didn't really socialize outside of their team, but I want to. Help!

Luckily, you joined NAKID. We encourage mixing with everyone; this is why people JOIN NAKID in the first palce. Don't worry, except when at flip cup tables, people will be more than happy to chat you up—and maybe take you home.

It's 2 p.m. on Tuesday and raining. Are we still gonna play?

Put this number in your phone book: 202-903-8230. That's the NAKID Hotline that you can call for weather updates. As a general rule, yes, we'll play. If not, an email will be sent

to the league letting you know games are off 1-2 hours before game time. When games are called off, there is free beer at the bars, so come out and play flip cup!

Are there practices?

Well, it varies by team, but generally no. Some teams throw the ball around and kick a little right before their games, but no one organizes a different time to do it. All teams have their own ball, though, so maybe they will. Fields are usually set up an hour before game time, so you can practice then.

I have suggestions to make NAKID better. Whom do I contact?
Just send your brillian plans to nakid2006@gmail.com

Questions? Comments? Send them to nakid2006@gmail.com. Or get yourself on the message board to discuss. Don't rely on just the Brew, occasional e-mail announcements or your captain to keep you informed. How to not suck at NAKID flip cup

The Magic 8 Ball will reserve judgment for who is best at flip cup in each chapter until after Week One. But she does want you to know that there are some rules to NAKID flip cup.

Some of you were seen playing waaaaayy too many people on a table. The result was, in your drunken stupor, an inability to match up and even get games going and this displeases her. So, here's what you need to know:

- Max of 6 players per team
- Matchup once per game, then go!
- Cheers, hit table with cup, chug
- NO BACKBOARDS
- Ties are settled by a flip off by the anchors of that round
- Games are best of seven; you lose, you vacate

Smack ass, survivor, and all other variations get played after regular games are over. P.S. Smack Ass is a variation where the losing team get their asses smacked by the winners (this is usually girls vs. boys). Please be advised to smack to the tolerance level of your opponent, not harder than that.

Why we love our two sponsor bars

The NAKID sponsor bars are **My Brother's Place** and **Hamilton's**, two neighboring bars that we love and love us.

At each bar we have two floors, an outside area, good food and friendly staff. Lots of hidden nooks. Two bars. Bathrooms that aren't broken. TVs with satellite all over the place (yes, you can watch football). Both bars are just a stumble from our playing fields, so come out early and pre-game. There's something for everyone to love: MPB has bottomless mimosas and bellinis for \$15 from 11 a.m. to 2 p.m.; Hamilton's and MBP have \$1 Jell-o shots all day!

The NAKID only specials are:

Drinks

\$8 Coors Light pitchers \$2 Coors Light pints, \$4 Captain Morgan and Cuervo margaritas

Food

20 percent off the entire menu

The catch

Of course there's a catch. You can get these special prices **ONLY IF YOU ARE WEARING YOUR NAKID SHIRT**. The good news though is that no matter what day you play, just show up Tuesday, Thursday or Sunday in your shirt and you can drink for cheap.

Lush & Lushette of the Week

Courtesy of

Mike, Pour Me Another Hurricane,
 Nomination sent in by a NAKID: *“Mike needs to be lush of the week. At around 11:30 he was last seen slumped over at chair at Hamilton’s. I switched a coke for his rum and coke and he had no idea. He was definitely one of the last five people out of the bar and had been showing his stomach all night. I would say he definitely deserves Lush.”*
 Really, is there anything we can add? Oh yeah, Congrats, Mike!

Congratulations **Mike and Dana!** This season they get not only the coveted NAKID Lush patch to proudly display on their shirt (or anywhere else they want). They also win

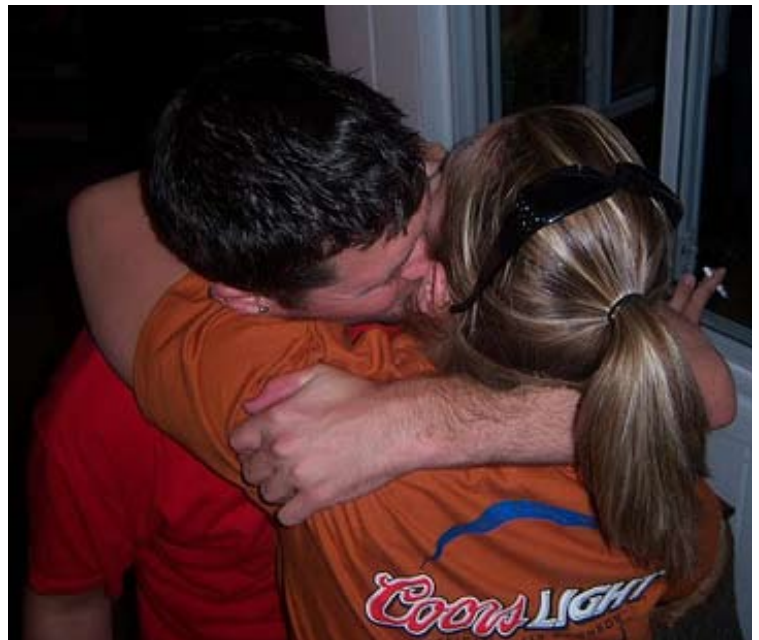

2 passes on the Boomerang Bus!

So suck up to them, be their friends, buy them drinks (clearly, they really like drinks!) and maybe you'll get to go with them.

Or you can just push your own tolerance and win your own Boomerang Bus passes. Check out the Boomerang and its trips at www.ride.the.boomerang.com

Dana, Drinking You Pretty - She sent us the above info on Mike which means she was also one of the final five people at the bar. Dana was out every night this week but may have been her drunkest on Tuesday. When not watching for other drunks Dana can be seen usually beating the boys on DYP at one-on-one flip cup or showing the length of her tongue to all who will watch. Congrats, Dana, great start to the season!

Erotic Photo Hunt

I know everyone is too busy playing flip cup, making out, and dancing to play this game at the bar. So I added it in the brew just for you. Find six difference between the two photographs below. The answers are on the last page of the brew, and NO CHEATING!

URBAN Dictionary

A place formerly used to find out about slang, and now a place that teens with no life use as a burn book to whine about celebrities, their friends, etc., let out their sexual frustrations, show off their racist/sexist/homophobic/ anti-(insert religion here) opinions, troll, and babble about things they know nothing about.

1. Mahogany Canoe:

When you freeze a turd and use it as a dildo.

Feeling a little lonely, Todd opened his freezer and set to work with his mahogany canoe.

2. Stripsy

The post-drunken, post-tipsy state at which the removal of clothing begins.

Brian: Jen, where's your shirt?

Jen: I don't know; last night I got a little stripsy...

3. Internuts

The phenomenon that occurs when someone becomes a badass when addressing others on a message board.

It is a common practice for the reticent, meek, and cowardly to make bold statements, on the internet, knowing there is no way to be held accountable.

The poster was getting badly flamed, so threatened to kick everyone's ass. His anger made his internuts grow.

4. PUMA

An attractive woman in her late 20s or early 30s. She is a pre-cougar/urban cougar.

I think that puma just grabbed my ass.

5. Designated Drunk

Responsible partiers choose a Designated Driver to drive during a night of debauchery. The Designated Drunk is chosen by the Driver. The Designated Drunk assumes responsibility for all drink offers given to the Driver. The Designated Drunk will take all offers of toasts, shots, and drinking competitions in place of the Driver.

Random drunk: "Hey dude! Come have a shot with me!"
Designated Driver: "Gary, you're DD. Take that shot for me."

Gary: "Alright."

SPORTS (where the real games are found)

The Magic 8 Ball was glad to see flip cup going strong in two bars. Excellent skills on display and though Drinking You Pretty is still the class of Sunday, some challengers may be on the horizon. A note to Third Base on the First Date: yeah, um, other people like to play flip cup, too. Limit your games to 6 vs. 6 and when you lose (as you do often) you need to carry your asses to another table (kisses, we still love you). Everyone else needs to get their asses in gear at the tables though. This week's standings:

1. **Drinking You Pretty** - Champs until a loss
2. **Balls Deepest** - Purple Power shuts down many
3. **Dirty Pirate Hookers** - Playing often early on
4. **Dick in a Box** - Only this low for refusing a challenge
5. **Third Base on the First Date** - Lotta smack talk, little winning
6. **Carleton Banks Dance Academy** - Need to step up
7. **Kickin Balls and Takin Names** - Eh, come on!
8. **The Transplants** - Need some work
9. **Medicine Ballers** - Newbies could be good
10. **Pour Me Another Hurricane** - You're better than this
11. **Donkeystyle** - Outside too much
12. **The Normalizers** - For shame, not at the bar!!
